LOWBOY TRAILERS

ORIGINAL DESIGN WITH ENHANCED PERFORMANCE

Ground Force partners with TowHaul in offering their low-profile modular lowboy. It can haul most tracked equipment on any mine site and maximize the flexibility of your fleet. Every aspect of user experience was considered when creating this workhorse, from its modular design for easy shipment and assembly to its single haul, truck-style axle and wide-loading platform. TowHaul Lowboys are custom designed for each client.

LOWBOY TRAILER:

HAULING CAPACITY	EQUIPMENT	MODEL
80 t (72 mt)	Blasthole Drills & Dozers	RLD 80
120 t (108 mt)	Hydraulic Shovels, Blasthole Drills, Wheel Loaders & Dozers	RGS 120

600 t (544 mt)	Hydraulic Shovels, & Electric Shovel	RGT 600
700 t (635 mt)	Hydraulic Shovels, & Electric Shovel	RGT 700
900 t (816 mt)	Hydraulic Shovels, & Electric Shovel	RGT 900
1200 t (1088 mt)	Hydraulic Shovels, & Electric Shovel	RGT 1200
1600 t (1451 mt)	Hydraulic Shovels, & Electric Shovel	RGT 1600

Capacities may vary depending on custom requirements.

BENEFITS & FEATURES

- Front-loading for speed and safety
- Single axle for efficient hauling and easy maintenance
- Low-profile ramps minimize breakover
- Axle incorporated into design to minimize overall width
- Optimized ground clearance for maximum mobility
- Wide platform with full width on the ground for stability
- Innovative ground-driven cooling system allows for use of a wet brake axle without the maintenance requirements of a separate engine
- Push block with dry drum axle optional
- Optional additional safety features, including walkways, handrails, augmented lighting systems, ladders, etc.
- 365-Degree turn radius
- Fully computerized control system

MULTI-PURPOSE GOOSENECK - SIMPLE, FAST, VERSATILE

A multi-use towing and hauling machine, the TowHaul Gooseneck is the one piece of equipment that makes it all possible. Its versatile design maximizes your investment so your fleet never sits idle. Go from pulling a lowboy to towing a disabled truck with the touch of a button.

BENEFITS & FEATURES

- Multipurpose functionality
- Connects with TowHaul Lowboy, Bucket Transporter and Water Tank Carrier
- Pairs with many brands and sizes of rigid-frame haul trucks
- Optional Towing Conversion Package for disabled haul truck recovery
- Hydraulic activated Grab Hook allows for simple, fast connection to the Lowboy
- Grab Hook ensures proper alignment to Lowboy
- Automatic alignment tool
- Hook-up time of less than 90 seconds
- Proven durability in harsh mining conditions

All dimensions, specifications, and product availability are subject to change based on continual product improvement and customer request.
